

**The Herringer Kiss Gallery is Proud to Announce the
Representation of Montreal Painter, Dennis Ekstedt.**

Montreal artist, Dennis Ekstedt received his B.F.A. from the Emily Carr College of Art and Design and his M.F.A. from Concordia University in 1993. Dennis has been exhibiting across Canada for over 13 years and in 2002 won the Eastern Division of the RBC New Canadian Painting Competition.

Dennis's work depicts distant views of illuminated cities at night, as seen through windows, up high, and provoke the thrill of viewing a landscape that is literally electrified by human habitation – a landscape that resembles a kind of living organism. He writes; "I want to evoke a kind of phenomenological sublime through the ethereal luminosity of electric light - a kind of visual sensation of luminosity."

Dennis Ekstedt will have his first solo exhibition with the Herringer Kiss Gallery in April of 2007. For information on available works please contact the gallery at 403.228.4889 or visit our website at www.herringerkissgallery.com.
